

Tutorials & Presentations

Jtreg

- [jtreg tutorial](#)

Videos

- [Introduction to the OpenJDK tests](#)
 - An introduction
- [jtreg video Tutorials](#)
 - [Part I - Getting started with jtreg](#)
 - includes an introduction on using the jtreg harness. It describes the nuts and bolts of a jtreg test case. How to execute a jtreg test case, an example of a test case and a review of the log file produced. Also a demo of the above is included and finally some links to reference materials.
 - [Part II - jtreg testcase examples.](#)
 - As the name suggests it includes test examples. It also includes a demo on test execution/debugging failures. Finally, it includes links to reference materials.
 - [Part III - TestNG Testcases with jtreg](#)
 - This video describes how TestNG test cases are supported by jtreg. The video includes demos to help understand how to write TestNG test case under jtreg. There are links to reference materials.
 - [Part IV - Contributing to OpenJDK](#)
 - This video describes how to contribute tests to OpenJDK. It includes recommended practice for tests and information about OpenJDK workspace. There are links to reference materials.
 - [OpenJDK Testing Pitfalls](#)
 - Pitfalls to avoid.
