

# Dashboard

## Welcome to the OpenJDK Wiki!

**What is this?** This wiki complements the content in <https://openjdk.java.net>.

**Who can edit?** Anyone who has registered in the OpenJDK infrastructure (for instance by becoming a [Project Author](#)) may edit the [Group](#) and [Project](#) contents of this site.

**Learn more** about this wiki by visiting the [FAQ](#).

## JDK Bug System

**Where?** <https://bugs.openjdk.java.net>

**Who can edit?** Anyone who is a [Project Author](#) (or above) has an account in the bug system. (Use <https://bugs.java.com> to submit bugs if you do not have a [Project role](#).)

**Learn more** about the bug system by reading the [JBS Overview](#).

**For Help** accessing the system, please contact [help@openjdk.java.net](mailto:help@openjdk.java.net).
